- Rytons RytHose 150mm Dia x 6m Long (ref FDUCT66M)
- Rytons RytHose 150mm Dia x 15m Long (ref FDUCT615)

Installation

Fully extend ducting and cut to length using a sharp knife and pliers.

Important Note

Not suitable for commercial ventilation applications.

Questions

What is the life expectancy of Rytons PVC RytHose?

In normal static use, within the temperature range specified, we anticipate a life expectancy of approximately 10 years.

Please recycle printouts where facilities exist.
